Changed availability: The former 7,332-score CX-5 Premium is now pickup-only in Florida and is excluded.

01 ANY TRIM

02 PREMIUM

03 VENTILATED

VENTILATED SEATS REQUIRED

Cool seats. Comfort worth keeping.

Every vehicle below has ventilated front seats and an upgraded cabin.
 All engines are non-turbo, including the CX-50 hybrid.

#	VEHICLE / TRIM	MILEAGE	TOTAL PRICE	MILES LEFT*	MI / \$1,000*
1	2025 Mazda CX-50 Hybrid Premium Plus VIEW LISTING	14,350	\$31,928 Includes \$850 transport	215,000	6,734
2	2023 Hyundai Tucson Limited - gas VIEW LISTING	29,000	\$26,347 Includes \$349 transport	170,000	6,452
3	2023 Kia Sportage SX Prestige - gas [1] VIEW LISTING	27,000	\$27,147 Includes \$149 transport	170,000	6,262
4	2023 Subaru Outback Touring 2.5 (non-XT) VIEW LISTING	39,000	\$28,397 Includes \$399 transport	170,000	5,987
5	2023 Toyota RAV4 Limited - gas [2] VIEW LISTING	10,000	\$37,147 Includes \$149 transport	220,000	5,922

BEFORE CHOOSING

[1] Sportage: Open SC272 brake-booster recall. **[2] RAV4:** Open instrument-display recall and a listed service campaign. Both are conditional choices pending repair confirmation.

CX-50 price: \$31,078 including advertised dealer fees + \$850 home delivery = \$31,928. Financing/residency conditions still need reconciliation in a written quote.

HOW TO READ THE SCORES

* Miles left are judgment-based estimates of economical useful life, allowing normal maintenance and repairs. Age is considered at roughly 15,000 future miles/year. Small score gaps are uncertain; these are not measured lifespan forecasts.

Total-life assumptions: CX-50 Hybrid/RAV4: 230k; CX-5: 220k; HR-V/Outback: 210k; Hyundai/Kia models: 200k; Kicks Play: 170k. Subtract mileage, then round remaining miles down to 5,000.

Hybrid sensitivity: A 10,000-mile lower total-life assumption reduces the CX-50 score to 6,421, slightly below the Tucson Limited. One listing per brand per group; rankings are a shortlist, not an exhaustive market survey.
